

Atomos Screen Protector

ProdCode: AOATOMLCDP03

Screen Protector for Ninja & Shinobi

[Download Images] (.zip file)

Features

The Atomos Screen Protector for Ninja & Shinobi features a matte material designed to stick right onto the display of the Ninja V, without any adhesive. It allows full control of the touchscreen while protecting it from scratches and preventing glare.

- Screen Protector for Ninja & Shinobi
- Stick-On 5" Matte Screen/Glare Protector
