

Hedbox HED-A60

ProdCode: HEDA60

Professional 96.5Wh / 6700mAh Battery Pack for CANON HD Camcorders

[Download Images] (.zip file)

Features

- Professional 96.5Wh / 6700mAh Battery Pack for CANON HD Camcorders
- **Data Communication with Camcorder**
Using the built in data communication chip, the battery syncs with the Cameras to display the exact power percentage on the LCD screen
- **Ultra High Power Capacity 96.5 Wh**
With a high power capacity of 96.5 Wh / 6700 mAh, the HED-A60 can power Canon C500 Mark II, C300 Mark II, C200, and XF750 video camcorders for more than 4 hours at full load
- **Built-in Dual D-Tap 14.4V, 8A 95W Output Socket**
Dual D-tap DC output socket is equipped on the top of HED-A60 battery pack. With this external power supply facility you can connect two different products, like an on-camera LED light and video monitor or a wireless transmitter and digital recorder, and get simultaneous power with the battery attached to the camera, or separately as an independent power station. The opposite orientation of the D-Tap connectors provides more flexibility during every day operation. The max power from the two D-taps is 95W
- **Built-in USB 5V, 1A Socket**
For all of your USB powering needs, we designed the USB 5V, 1A output. With this function you can use the HED-A60 like any power station to charge your cell phone, tablet, or any other electronic devices that can be powered

with USB 5V power

- **LED Monitor Indicator**

HED-A60 contains a built in 4-LED power meter that, at the press of a button, displays the remaining battery percentage at 100%, 75%, 50%, or 25%

- **High Quality Li-Ion Cell**

Latest Samsung and LG lithium-ion battery cells are used in Hedbox battery packs. They provide no effect on memory, give high efficiencies, and allow for a compact and lightweight battery

- **No Memory Effect**

Hedbox batteries provide the advantages of lithium-ion, meaning it can be charged or discharged at anytime without developing a memory effect. This means the battery never loses its ability to hold a full charge

- **Multiple Protections**

The circuit in the battery pack has multiple protections: abnormal current protection, voltage protection, short circuit protection, and overheating protection. This allows for the battery to have a longer operational life and a safer use for professional purposes

- **Environmentally-Friendly**

Hedbox batteries are fully in compliance with European Union RoHS (Restriction of Hazardous Substances) regulations and are 100% free of lead, cadmium, and mercury. Hedbox products take part in actively protecting the environment and preserving the highest standards of environmental protection

Hedbox HED-A60 Professional Battery Pack provides up to 96.5Wh / 6700mAh for CANON HD Camcorders like the C500 Mark II, C300 Mark II, C200, and XF750. The HED-A60 includes an external USB 5V/5W/1A power output, and a Dual D-Tap DC 14.4V power output, that can deliver 115W/8A for all professional external devices.

Designed for professional filmmakers and camera operators the HED-A60 provides exceptionally long run times (approximately 7hrs) in a light-weight form while offering external power outputs through a USB 5V/1A socket and Dual D-Tap sockets capable of delivering 14.4V 95W/8A to all professional external devices such as monitor recorders and light panels.

In the box:

- 1x HED-A60 BATTERY PACK
- 1x USER MAUNAL (ENGLISH)
- 1x 1 YEAR LIMITED MANUFACTURER'S WARRANTY
