

# **Hedbox HED-BP75D**

ProdCode: HEDBP75D

Professional 75Wh / 5200mAh Pro Battery Pack for SONY HD Camcorders

[Download Images] (.zip file)

#### **Features**

- Professional 75Wh / 5200mAh Pro Battery Pack for SONY HD Camcorders
- Data Communication with Camcorder
- Using the built in data communication chip, the battery syncs with the Cameras to display the exact power percentage on the LCD screen
- Ultra High Power Capacity 75 Wh
- With a high power capacity of 75 Wh / 5200 mAh, the HED-BP75D can power Sony PXW and PMW HD video camcorders for more than 7 hours at full load
- Built-in Dual D-Tap 14.4V, 8A 95W Output Socket
   Dual D-tap DC output socket is equipped on the top of HED-BP75D battery pack. With this external power supply facility you can connect two different products, like an on-camera LED light and video monitor or a wireless transmitter and digital recorder, and get simultaneous power with the battery attached to the camera, or separately as an independent power station. The opposite orientation of the D-Tap connectors provides more flexibility during every day operation. The max power from the two D-taps
- is 95W
- Built-in USB 5V, 1A Socket

For all of your USB powering needs, we designed the USB 5V, 1A output. With this function you can use the ED-BP75D like any power station to charge your cell phone,

- tablet, or any other electronic devices that can be owered with USB 5V power
- LED Monitor Indicator
- HED-BP75D contains a built in 4-LED power meter that, at the press of a button, displays the remaining battery percentage at 100%, 75%, 50%, or 25%

## • High Quality Li-Ion Cell

Latest Samsung and LG lithium-ion battery cells are used in Hedbox battery packs. They provide no effect on memory, give high efficiencies, and allow for a compact and

• lightweight battery

## • No Memory Effect

Hedbox batteries provide the advantages of lithium-ion, meaning it can be charged or discharged at anytime without developing a memory effect. This means the battery

• never loses its ability to hold a full charge

## • Multiple Protections

The circuit in the battery pack has multiple protections: abnormal current protection, voltage protection, short circuit protection, and overheating protection. This

 allows for the battery to have a longer operational life and a safer use for professional purposes

## • Environmentally-Friendly

Hedbox batteries are fully in compliance with European Union RoHS (Restriction of Hazardous Substances) regulations and are 100% free of lead, cadmium, and mercury. Hedbox products take part in actively protecting the environment and preserving the highest standards of environmental protection

Hedbox HED-BP75D Professional Battery Pack provides up to 75Wh / 5200mAh for SONY HD Camcorders like the PMW-EX1, PMW-EX1R, PMW-EX3, PMW-100, PMW-150, PMW-200, PMW-300, PMW-F3, PXW-X160, PXW-X180, PXW-X200, including the latest model PXW-FS7 and any other units that accept the BPU style battery. The HED-BP75D includes an external USB 5V/5W/1A power output, and a Dual D-Tap DC 14.4V power output, that can deliver 115W/8A for all professional external devices.

Designed for professional filmmakers and camera operators the HED-BP75D provides exceptionally long run times (approximately 7hrs) in a light-weight form while offering external power outputs through a USB 5V/1A socket and Dual D-Tap sockets capable of delivering 14.4V 95W/8A to all professional external devices such as monitor recorders and light panels.

### In the box:

- 1x HED-BP75D BATTERY PACK
- 1x USER MAUNAL (ENGLISH)
- 1x 1 YEAR LIMITED MANUFACTURER'S WARRANTY
