

Ikan SB-24

ProdCode: IKASB24

24-inch Diameter Softbox for HF70, HF150B, and SFB150

[\[Download Images\]](#) (.zip file)

Features

- 24-inch Diameter Softbox for HF70, HF150B, and SFB150
- Quick Setup w/ Easy Open Locking Rods
- Push Buttons to Close Softbox
- Inner & Outer Diffusers Removable
- Silver Reflective Interior
- Fabric Grid for Limiting Light Spill
- Storage Pouch Included
- Compatible HF70, HF150B, & SFB150

The SB-24 softbox is a light modifier that attaches to the clips on the Helia HF70, Helia HF150B and Stryder SFB150 to diffuse the light. This helps minimize harsh shadows offering a more natural look.

In the box:

- 1x 24" Softbox
- 1x Front Diffuser
- 1x Inner Diffuser
- 1x Fabric Grid
- 1x Carry Bag
