### Features

- Compact Adjustable 15mm Rod to NATO Clamp
- M4 Ratchet Bolts
- 38g/1.3oz
- 20mm W x 49mm T x 40mm D

The KONDOR BLUE adjustable rod to NATO clamp is a great accessory to attach a 15mm rod parallel to any NATO rail you have on your camera or monitor cages. It pairs great with the KONDOR BLUE Monitor Cage Nato Rails. It is a great pairing with the KONDOR BLUE Monitor Cage Nato Rails. The 20mm width is wide enough to create a lot of support without interfering with other accessories or features.
