ProdCode: KONFXLRMMTRS

16inch Female XLR to 3.5mm Male Mini TRS Blue Braided

[\[Download Images\]](#) (.zip file)

Features

This short 16" 3.5mm TRS audio cable allows you to mount a small mini-plug mic device onboard professional cameras or receive a feed from an Audio Mixer through a standard-size XLR input.

This 3.5mm TRS to XLR cable is a professional-quality audio cable. Use it to connect a small microphone to professional audio input in cinema/broadcast cameras or to connect to professional soundboards. The cable measures 16" in length and features a 3.5mm mini TRS male plug on one end and a 3-pin XLR female on the other end.
