

Kondor Blue NATO Rail to Hot Shoe Adapter

ProdCode: KONNRHSABK

Rail adapter for attaching a remote trigger top handle or other NATO accessories to a camera hot shoe mount - Raven Black

[\[Download Images\]](#) (.zip file)

Features

Add a top handle to any camera!

This adapter allows you to securely adapt your camera's hot shoe into a low-profile NATO rail for use with our Trigger Top Handle or other NATO accessories.

It features spring-loaded safety pins on each side to ensure your accessories never accidentally slip off, and includes the bolt and Allen key necessary for installation.
