ProdCode: LINDY73415

18W fast charging for smartphones, tablets and other mobile devices

[\[Download Images\]](#) (.zip file)

Features

- 18W fast charging for smartphones, tablets and other mobile devices
- Charges and powers a device via one USB Type A port
- Compact design for maximum mobility
- Built-in safety features as overvoltage and overcurrent protection
- 2 year warranty

The Lindy 18W USB Type A Charger can charge a single USB device with a maximum power of 18W. It supports fast charging for many popular smartphones and other mobile devices.

Thanks to its compact design it can easily be carried and is always available when power is needed.

For safe charging the device includes overvoltage, overcurrent, overtemperature and short-circuit protection. As this charger is rated at Level 6 for efficiency, it also meets the highest current level of energy efficiency standards.
