Features

The Kids Learning Keyboard is an excellent way for your elementary-aged students to master keyboarding and computer skills at home.

With colour-coded vowels, consonants, numbers and function keys the Kids Learning Keyboard helps the user learn the location of letters, numbers and other keys on a standard hi-quality keyboard.

On top of that the Kids Learning Keyboard also show you the Hand Sign Language Alphabet on each key.

- Master your keyboard and computer skills
- Colour-coded keys for vowels, consonants, numbers and function keys
- Available for PC
