- Keyboard Carry Bag
- Perfect for PC and Mac Logickeyboards
- Large in-bag pocket for small accessories and other peripherals
- Zip closure
- Coated with NANO technology to repel water
- Stylish matte colour
- Dimensions: 50 cm x 19 cm (19.7 inches x 7.5 inches)

The Logickeyboard LogicGo keyboard bag is perfect when you're on the go.

An adjustable shoulder strap lets you use LogicGo as a handbag or a shoulder bag and makes it easy to carry on your back.

The bag opens flat to ensure a quick trip through airport security and includes a handy accessories pocket.

LogicGo is made from durable material and coated with premium NANO technology to repel water and other liquids, keeping your Logickeyboard well-protected wherever you go.
