The custom LogicKeyboard makes controlling Pro Tools a lot simpler and faster.

It is ideal for post-production facilities, professional video editing houses and anyone who requires all the custom key commands to readily accessible from a dedicated, clearly labeled, colour-coded keyboard.

Using this keyboard is also a great way to learn the Pro Tools key commands and features all the regular letters, numbers and symbol labelling that you will find on a conventional keyboard, it can simply be used as a substitute for it.
