ProdCode: OPTE8200

Neoprene wrist strap with Uni-Loop connector. Rec load 4.5kg. Length 11"

[\[Download Images\]](#) (.zip file)

Features

- Fits most SLR cameras and binoculars
- Neoprene strap secures comfortably around the wrist
- Security slide tightens the strap around the wrist
- Made in the USA

OP/TECH USA's SLR Wrist Strap™ offers a comfortable alternative to carrying an SLR camera or other gear. It attaches to the camera with our unique Uni-Loop System Connector™ (included with strap) which gives it added versatility.

The neoprene wrist strap is adjusted around the wrist with a security slide to keep it firmly in place. Keeping it simple and secure is the secret to the SLR Wrist Strap™. It offers good peace of mind when shooting without a neck strap.
