Features

- Padded comfort in a non-stretch design
- High-tech memory foam for comfort
- Anti-microbial material allows moisture to dissipate
- Tailored design in a slim profile
- Fully adjustable strap length of 66 to 132.1cm (26" to 52")
- Made in the USA

Envy Strap™ is sure to be the envy of every photo enthusiast. The unique high-tech memory foam contours to the shape of the neck and shoulders creating a custom fit.

The antimicrobial material draws away moisture so it's comfortable in all weather conditions. This special feature is particularly important for those photographers working in hot climates for prolonged periods of time.

The tailored, non-stretch design offers photographers a nice alternative to the traditional camera strap. It incorporates OP/TECH USA's 3/8" System Connectors™ for added versatility.
