[\[Download Images\]](#) (.zip file)

Features

- Easily secures a camera or binoculars to a backpack
- Combine with a Pro Strap™ or a Utility Strap™ to create a dual camera strap
- Adjustable in length from 8.5" to 10.5"
- Uses OP/TECH USA's exclusive Uni-Loop Connectors™ for added versatility
- Sold in sets of two
- Made in the USA

With the OP/TECH USA System Connectors™, the camera/binocular owner has several connection options. You can buy an extra set of connectors to customize the strap to best suit your needs. Straps can be lengthened to be worn across the chest or shortened to be worn at chest level. Another feature of the System Connectors™ is the small carrying handle created when the quick disconnects are latched together.

The Reporter/Backpack Connector™ allow users to add a camera or binoculars to a neck strap or backpack. It incorporates rugged clamps which attach to any 1" wide webbing or seamed area commonly found on a camera strap, backpack or photo vest. The Reporter/Backpack Connector™ is available in sets of two.
