Features

- Compact Flatbed Scanner
- Easy to use
- High performance and compact design

The OpticSlim 2610 Plus is an easy-to use scanner for everyday scanning and sharing. With a sleek and compact design, the OpticSlim 2610 Plus uses less desktop and storage space than other scanners, which is suitable for the desktop.

Stylish and Compact Scanning

The OpticSlim 2610 Plus is only 3.3cm (1.3") in height and 1.4 kg (3.1lb) in weight, it can easily be packed with a laptop in your briefcase.

Portability

The small-footprint and light weight make the OpticSlim 2610 Plus scanner easily portable and ideal for home or professional users that need to scan documents from virtually anywhere.

- **Easy-to-use Single Touch Buttons**

With 5 one-touch buttons make scanning directly to computers, emails or PDFs simple. The OpticSlim 2610 Plus just press one touch button and every scan is easy and fast!

- **USB powered**

Only one USB connection is required for power and connection to the computer and zero warmup time is needed.

- **Large Books or Documents Scanning**

The OpticSlim 2610 Plus has specially designed hinges with the lid accommodates bulky books or documents.

Plustek DocAction

With button utility to simplify document scanning, DocAction enables you to specify your personalized scanning configuration settings and scan documents with the touch of a button. Scanned documents are automatically sent directly to the printer, Email, Folder or FTP. DocAction also enables you to scan directly to many imaging and document management applications. DocAction saves scanned documents to all common imaging formats including JPEG, TIFF, and PDF.

Optical Character Recognition technology integrated*

Industry standard TWAIN and WIA drivers combined with TIF, JPG, PDF and Microsoft Office file formats ensure compatibility with thousands of scanning and imaging programs. ABBYY FineReader Sprint is included to easily create and

manage searchable PDFs at the touch of a button.
