Features

The Slik Quick Release Plate 6252 is the replacement 1/4 20? thread QR plate for the SBH-100DQ and SBH-120DQ ball heads.

The all metal plate includes the industry standard 1/4 20? threaded screw for mounting to film and digital cameras. The durable cork pad creates a solid slip free connection between the plate and camera to prevent camera drift. The plate requires the use of a coin or screwdriver to securely attach the plate to your camera.
