Features

- Quick Release Plate For Rover A & C
- All metal plate
- Includes the industry standard 1/4 20? threaded screw for mounting to film and digital cameras
- The screw is adjustable to provide accurate positioning on the camera for fine-tuned balance
- The durable rubber pad creates a solid slip free connection between the plate and camera to prevent camera drift
- The plate also uses a tool free mounting design so you do not need a coin or screwdriver to securely attach the plate to your camera
- Compatible with: Rover Series / Arca-Swiss type tripod heads

The SLIK Quick Release Plate 6515 is the replacement 1/4 20? thread QR plate for Rover Series.
