SDXC UHS-II Memory Card - 128GB - V90

[\[Download Images\]](#) (.zip file)

Features

- SDXC UHS-II Memory Card
- **Designed By Professionals, For Professionals**
An uncompromising professional videographer demands reliable and durable media they can trust. They choose wisely.
- **Speed Of Up To 290 Mb/s Read And 260 Mb/s Write**
For busy filmmakers, efficiency means everything. Wise SDXC™ UHS-II / I cards withstand the toughest requirements for photo and video by its lightning fast read and write speed. Read speeds of up to 290 GB/s optimize your post-production workflow, and write speeds of up to 260 GB/s allow you to handle burst shooting mode and professional video recording.
- **V90 Class for Breathtaking 8K Shooting**
With the most innovative video speed class, the V90 standard makes Wise SDXC™ UHS-II cards the most dependable weapon for shooting 8K, 3D and 360 degrees video and images. It guarantees a minimum write speed of at least 90 MB/s without dropping frames.
- **Ultimate Durability**
Wise Advanced SDXC™ UHS-II / I cards are water-proof, dust-proof, shock-proof, X-ray proof, and can be operated in temperatures ranging from -13°F to 185°F (-25°C to 85°C).
