

## Wise Advanced WA-CR05

**ProdCode: WISEWACR05** 

**CFast Card Reader** 

[Download Images] (.zip file)

#### **Features**

#### Versatility for all your needs

Wise card readers offer ultra-versatile solutions for the world's leading recording media. It combines USB-C industry standard with USB 3.1 Gen2 interface, delivering speeds of up to 10 Gb/s for twice the bandwidth of a USB 3.0 interface. With its unique write protect system and sleek aluminum casing, your valuable footage is protected in style.

### Designed For Professional Filmmakers

Built to handle high-end media, Wise is committed to manufacture compact card readers to transfer your hard-earned footage fast and safe.

### • Bursting Speeds Of Up To 10 Gbps

With a blazing-fast 10 Gbps read speed, you are able to transfer RAW images, high-res photos, and HD, 3D, and 4K video with ease.

# • Full Range Of Choices

Wise card readers support general CFast<sup>™</sup> 2.0 & SD<sup>™</sup> cards to leading branded proprietary recording media.

#### Built-in Write Protect Switch

With our proprietary write protect switch design, filmmakers can avoid the risk of losing their precious footage.
